Disappointed, Ulla is very dated, photos which  
set on the website are photoshopped.

A/C not cold enough, <sup>(good)</sup> minimum (quantity of  
a 1 star hotel.

When we didn't anything was little, not clean

fudge is very small, muscle.

The overall feel was a "back packer experience"

Ulla is not well to.

→ suggestions: renovate / build a new cilla  
but use quality furniture and lighting

The staff are nice / friendly but budget can not be too  
clean at the moment

We had a wonderful stay here. The villa is beautiful & tastefully decorated, & Mr. Kehnt and all the staff were amazingly helpful and nice, and we would love to come back one day.

There are lots of nice things to do in the area, but it's tempting to stay in the villa for the lovely pool and surroundings.

Our two kids (1 & 3 yr old) had a fantastic time, and the youngest especially loved playing with the staff who were extremely nice and gentle and always smiling. The staff is always available and calm, overall we love the peaceful atmosphere, an excellent way to relax from the world of work and the "big city" life. We hope to be back!

We enjoyed the week here. Ketut & Staffs are wonderful. View is beautiful & villa is well maintained. Breakfast & meals are OK. The driver Agus is especially helpful & <sup>the</sup> reasonable rates. Maybe more white sand to the sandbox since we don't have a beach would made our kids enjoy more. We definitely will recommend this villa to our friends.

We had the honour of being first to write in your first guest book 8 years ago. Now we have that same honour. Things have changed in the last 8 years (namely we come with 4 kids this time) but Kekut is as friendly as ever and Comau's food is better than most of the local restaurants! Thank you for a wonderful time at Villa Talia Vashhi and hopefully it will not be another 8 years until we return.

Returned after a few years with grandchildren (9) (see above) - Interesting to see the change but still a beautiful spot with great views. Staff are superb and the cooking is best in the area. We'll be back.

Such a beautiful villa - the perfect place to spend a few days as a family. The stunning view has been the perfect backdrop to early morning massages to get the day off to a good start. Food was lovely (the girls especially loved the banana pancakes for breakfast).

Thanks for a lovely few days.

Thanks for a great time, we are very grateful for everything you have done for us during our stay - A great place to stay we are a family of 6 with older kids -

Love the pool, service, food.

Black rice pudding is amazing, better than we got in restaurants.

We will always remember this family holiday as a special time where we had some amazing adventures together in the beautiful Bali. Thank you for being friendly and approachable; we will recommend Villa Talia Vasti to our friends who travel. Thank you!

Few places can be credited with  
liberally taking your breath away.  
This villa does exactly that! A  
brilliant place with a great staff,  
we look to come over again to  
Villa Talia Vashi.

During our stay, Ketub & everyone  
have been very hospitable and pleasant.  
They were helping as well as  
non-intensive.

Thanks Tom & Rene, you have  
done a great work with building  
& putting a soul to this place.
